Treasurer's Report

February 6th, 2022

Good afternoon

Our bank balance is around \$1641.28 in checking (\$500.14 in savings). We earned interest of \$0.06. I'm pretty sure that number is relatively close to actual. I will get with people to verify this number.

Please remember to cross reference your monthly donations on the YTD worksheet. This is your first line of protection to ensure that the areas' funds are being properly accounted for.

If you need anything between area meetings, my number and email are listed below.

My email is russellcuddeback@gmail.com

Phone: 801-940-4782

thanks for letting me serve

Public Relations Report January 2022

We have still been working on compiling lists for Public Relations and Hospitals and Institutions. We have done some corrections institutions, some hospitals and behavioral centers, justice and district courts, and are currently working on high schools and jr. High Schools.

Our goals going forward are to complete the set of contacts and create a mailing database with Microsoft Word.

We want to either revise the submitted letter for PR and HI to create a directed focus and purpose. Our intent is to use qr codes and websites where people can print their own Information pamphlets and order books as they need them.

We would like the fellowship to know that we are seeking to attract those that are in most need to find our meetings and be prepared for the potential opening of hospitals and institutions. We are aware that not much can be done in person and want to be able to offer alternative methods of meeting attendance even via webcasting with apps such as zoom.

Thank you for letting me be of service.
