# What is the NA Program?

...We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.

#### We Do Recover

When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best we can to the bitter ends—jails, institutions, or death—or find a new way to live. In years gone by, very few addicts ever had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple spiritual—not religious—program, known as Narcotics Anonymous.

### **Just For Today**

Tell yourself:

**JUST FOR TODAY** my thoughts will be on my recovery, living and enjoying life without the use of drugs.

**JUST FOR TODAY** I will have faith in someone in NA who believes in me and wants to help me in my recovery.

**JUST FOR TODAY** I will have a program. I will try to follow it to the best of my ability.

**JUST FOR TODAY**, through NA, I will try to get a better perspective on my life.

**JUST FOR TODAY** I will be unafraid. My thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.
