**Reports:**

<b>Report</b>	<b>Notes</b>
Group Reports	See Attached Lakeside Unity Area NA Group Reports.
Chair Report	Nothing to Report.
Secretary Report	Nothing to Report.
RCML Area Report	See Attached RCML Area Report.
PRI/H&I Report	Five members were present. UINTAH reported that they are awaiting confirmation regarding the possibility of holding a meeting at the State Hospital. DCJ expressed continued interest in including local inmates in the jail rotation program. Russ expressed interest in the Jail Coordinator position and was unanimously elected to the role. The Literature Chair position remains vacant. Diamond Detox has relocated to a new facility in Kaysville. Recovery Days are scheduled for September. (See Attached PR/H&I Report for more Details).
Activities	The dodgeball fundraiser went well, bringing in \$203 and bringing the group's balance from \$156 to a total of \$359. The team discussed logistics for the upcoming tubing event, with the date still to be determined and group rate options being explored. May alternative activities were reviewed, including updated announcement wording to clarify that the gathering is a general recovery event rather than an NA specific event. The group also talked about a possible fireside speaker event in collaboration with Surrender on Saturday, potentially paired with a bake sale, tentatively planned for June 2026 with details still to be finalized.
Web Dom	The website has no issues. The secretary suggested shortening announcements, and the Web Dom recommended using bold text only for key items while continuing to include flyer links for each announcement. Current announcement updates include updating the Spotlight Meeting to feature the Sunday Spiritual Solutions meeting for one month; GSRs informing homegroups about the newly formed Guidelines Committee; removing the open Vice Chair and Jail Coordinator listings; updating the May Crystal Springs event language to replace "lakeside" and adjust NA-specific wording to reflect a general recovery event; and changing the Activities meeting date.
Literature	\$167 worth of literature was purchased. There is a backorder of 3 Welcome key tags for the Kleansville group and 10 Welcome key tags for the Key Tag and a Hug homegroup.
Treasurer Report	See Attached Treasurer Report.
Ad-Hoc	Guidelines are available.

**Break:** 5:10 PM to 5:17 PM

**Reopen Meeting:** 5:17 PM: Moment of silence for the addict who still suffers, followed by the serenity prayer.

**Member Questions and Discussion:**

1. Tahna - By established practice, 10% of donations are sent to World Services and 20% to region. Any change to this structure would require GSRs to submit and pass a motion.
2. James – Lakeside Area pays a large price for the website software. It may be possible to downgrade the plan, remove features not used, etc. The Web Dom will contact website software program to determine available downgrade options.  
Sidenote: the Treasurer and Web Dom will meet to review which features are necessary and which can be safely removed before making any changes.

**Motions:**

Chair asked, “Any new Motions?”

Committee and GSR: No new motions

**Old Business:**

1. The Chair reported that two candidates were originally running for the Vice Chair position. However, James has chosen to step down from consideration, leaving Tahna as the sole remaining candidate for Vice Chair. **Tahna unanimously elected Vice Chair (9 yes, 0 No).**
2. For the Activities Committee election, James nominated Chelsea S. for the Activities Chair Position. In her statement, Chelsea shared that she has a sponsor, has completed the steps, has five years clean, and has the time and willingness to serve. Committees and GSRs asked questions, and the nominee responded to each question. **This information will be taken back to the Lakeside Area homegroups for election consideration. In the interim, the Chair appointed Chelsea S. to the Activities Chair Position until a formal vote can be held on 6/7/2026.**

3. The guidelines vote resulted in 5 yes and 4 no, which did not meet the required two-thirds majority per the bylaws, **so the new guidelines were not passed, and the current guidelines will remain in place.**
4. Discussions followed by the opposing homegroups regarding the need for guideline revisions, and a new Ad Hoc Committee, led by Russ S., was formed to develop updated guidelines using a different process specifically by creating questionnaire surveys to be distributed to members to complete to inform the process. A deadline was considered by the committee, but Justin from Kleansville suggested allowing the committee to meet first and determine an estimated timeline for completing the new guidelines. It was suggested that this guideline work be completed before the end of the Chair's term in December 2026.

**Concepts Workshop:**

A workshop was presented by Mark from the "Refuse to Use" homegroup on the Second Concept, "The final responsibility and authority for NA services rests with the groups." (See attached workshop report).

The next workshop will be presented by Jerry from the Tuesday "Key Tag and a Hug" homegroup on 6/7/2026 and will cover the Third Concept, "The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it."

## **Second Concept**

*The final responsibility and authority for NA services rests with the NA groups.*

Help the groups to carefully and responsibly delegate authority to the service structure, allowing our NA boards and committees to develop and maintain services that further our fellowship's primary purpose while preserving the final responsibility and authority of the NA groups;

The NA service structure has been created by the groups to serve the common needs of the groups. Our fellowship's service boards and committees exist to help groups share their experience with one another, provide tools which help groups function better, attract new members to group recovery meetings, and carry the NA message further than any single group could carry it alone. Because the groups have created the service structure, they have final authority over all its affairs. By the same token, the groups also have the final responsibility for the support of all its activities. The two go hand in hand.

- Principle: Authority
- Home groups set the direction for service activities at all levels
- Despite delegation of certain functions to other service bodies, the NA home groups are always in charge

## **Second Concept**

*The final responsibility and authority for NA services rests with the NA groups.*

The groups have final responsibility for and authority over the service structure they have created. By fulfilling their responsibility to provide their service structure with the conscience, ideas, people, and money it needs, the groups also exercise their authority. Conversely, the service structure must always look to the groups for support and direction.

### **Study and discussion questions**

1. Does your group have any way of letting your area committee know whether it's meeting your needs? How?
2. Does your group's GSR regularly take part in ASC meetings? Do you regularly contribute to the ASC? Do these things give your group any say about the way NA services are administered? How?
3. How frequently is your group consulted on service matters by the ASC? The RSC? The WSC? Do you want to be consulted more often? Less often?
4. What does the Second Concept say to our service boards and committees? Does your group believe that message is heard and understood by our service structure? If not, what can your group do about it?
